FRIENDS

I hope the day will be a lighter highway

For friends are found on every road.

Can you ever think of any better way

For the lost and weary travellers to go?

Making friends for the world to see.

Let the people know, you got what you need.

With a friend at hand you will see the light.

If your friends are there, then everything's all right.

It seems to me a crime that we should age.

These fragile times should never slip us by;

A time you never can or shall erase-

As friends together watch their childhood fly.

-Lyrics by Elton John

and Bernie Gaupin

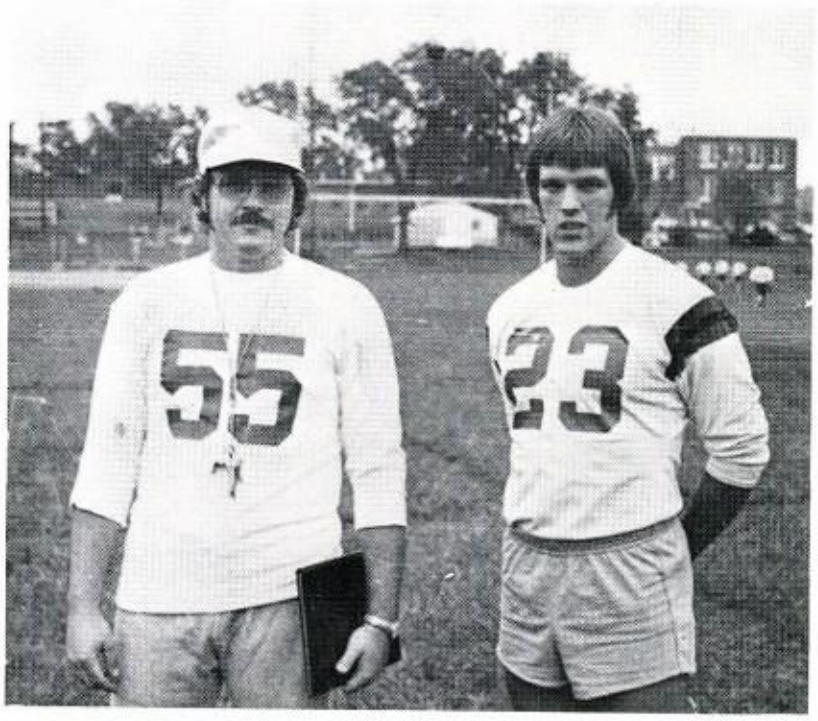
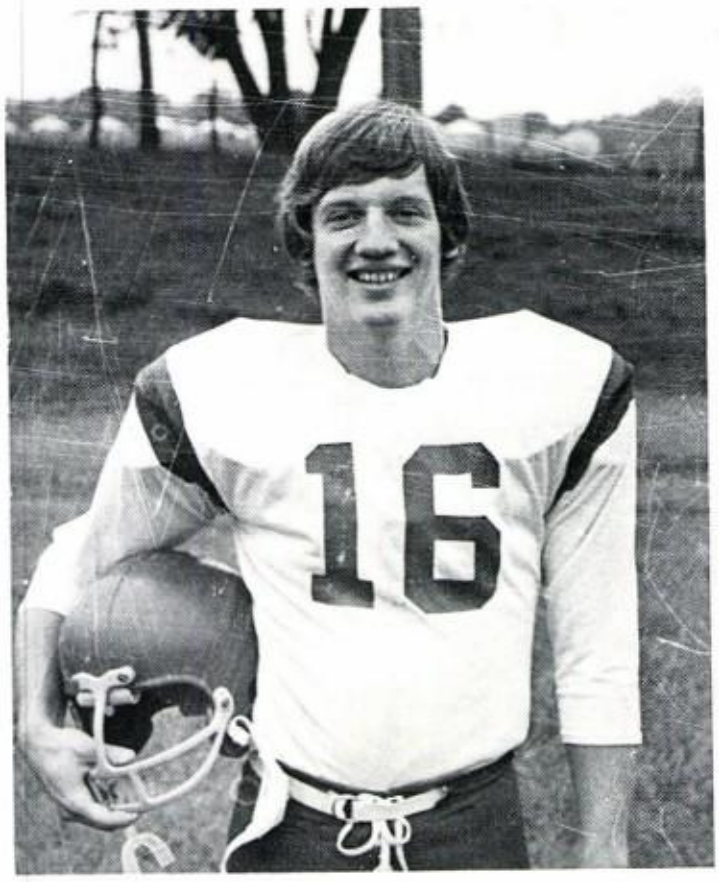
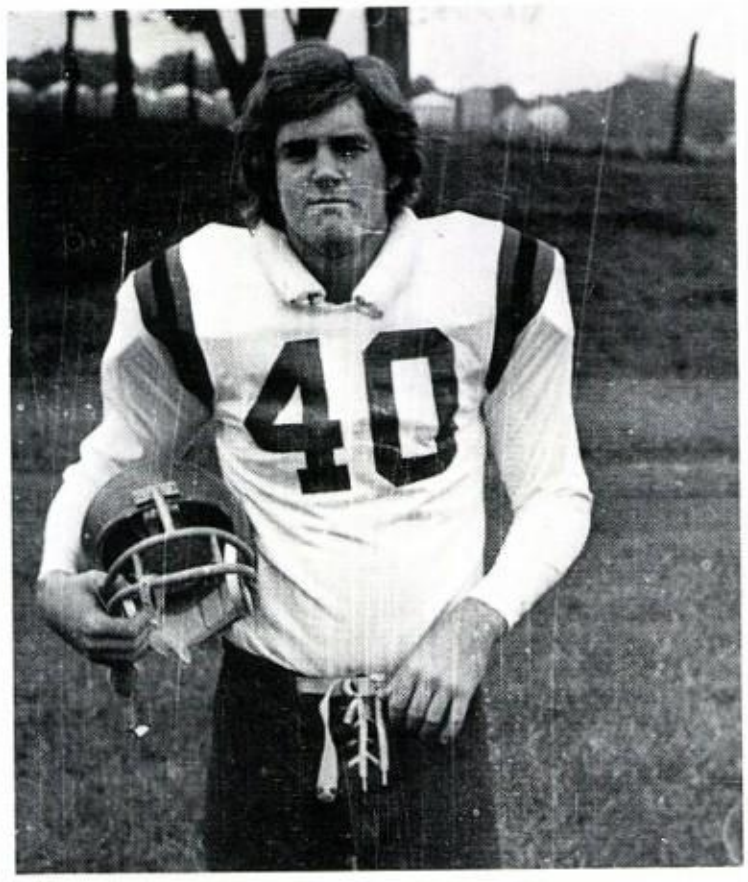
Coaches Stitt and Coudeyras opened their coaching careers commendably with the Indians Finishing high in both conferences.





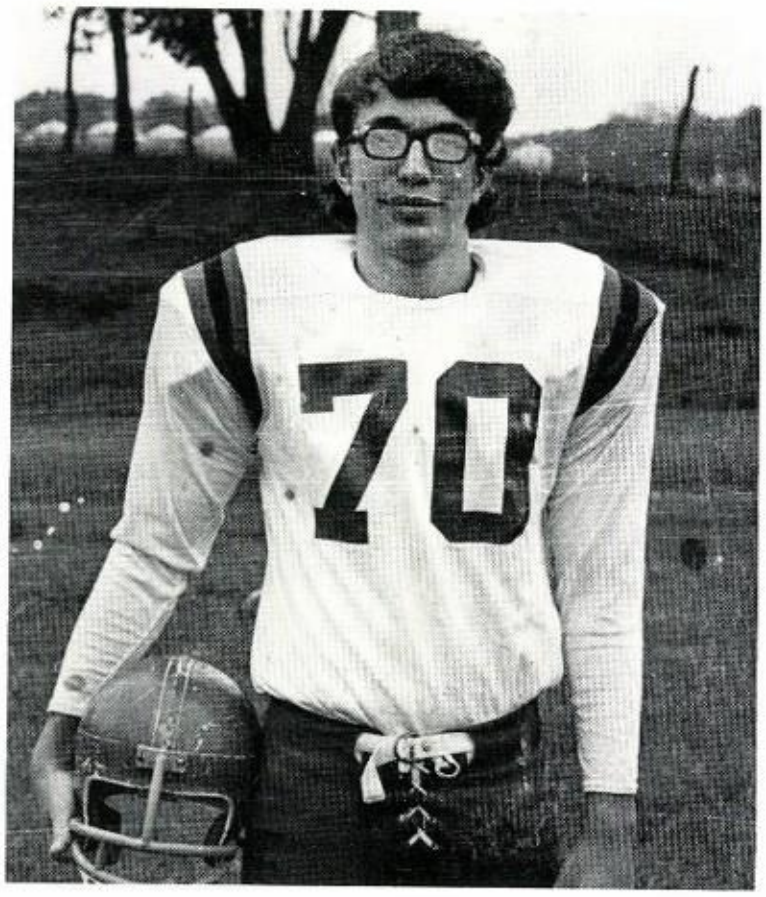
Doug quarterbacked the Indians. He intercepted several passes and made several long runs. Doug received All Conference honors.



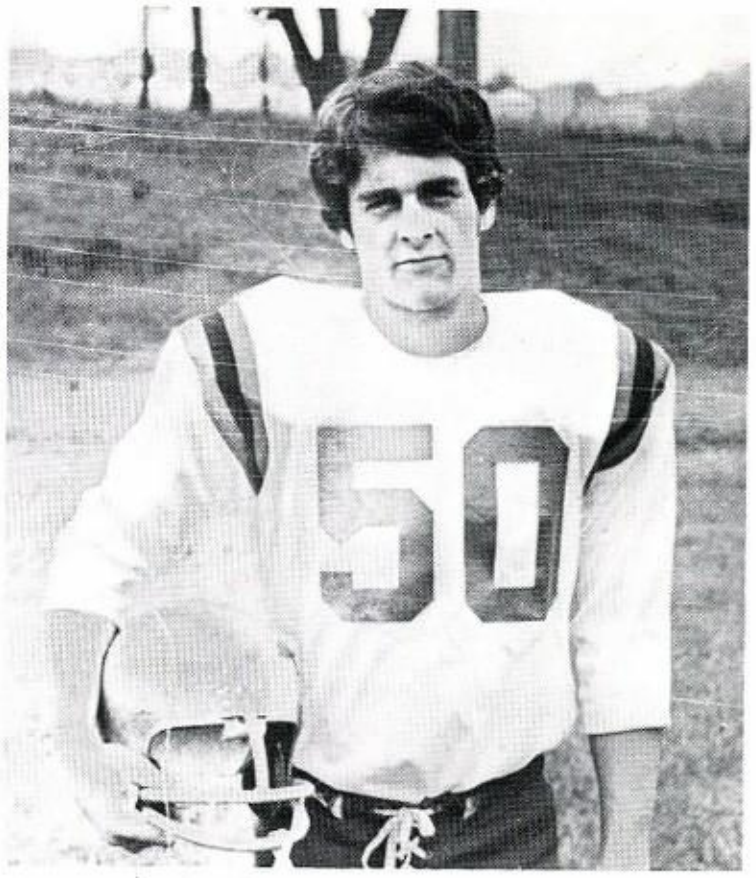
Steve anchored the Indian's defense at middle guard where he led the SNC in unassisted tackles. Together with his powerful running and blocking he won All Conference and All State Honorable Mention laurels.

People on the ground was a common sight during the Indian's games this year.

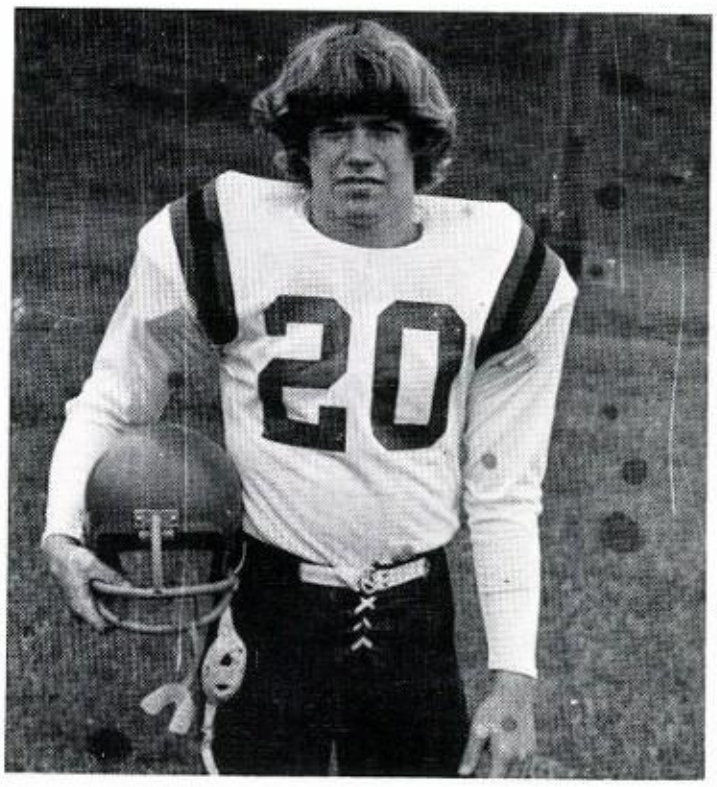
CHRISTENSEN REAL ESTATE & AUCTION SERVICE



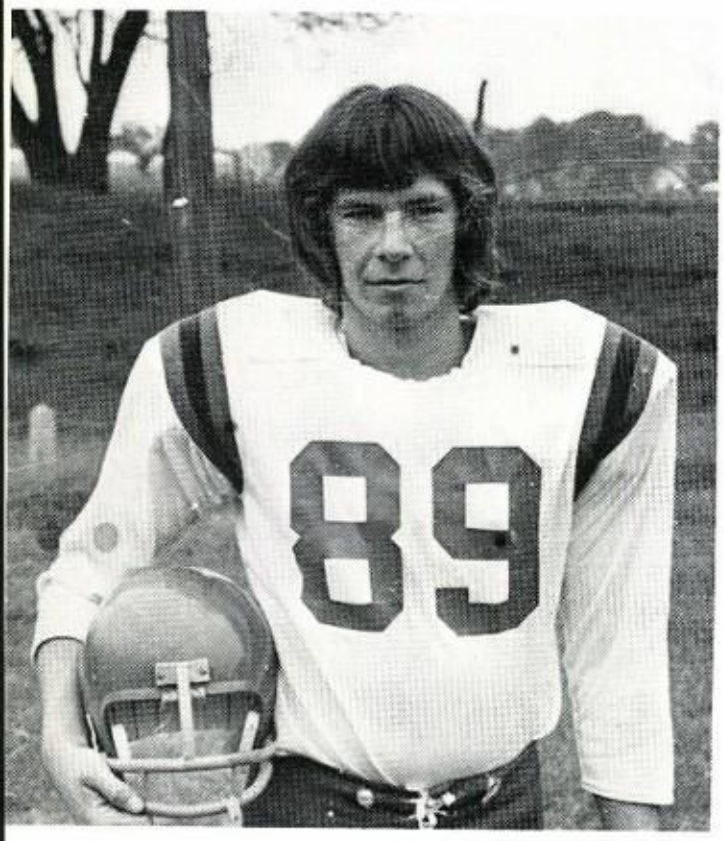
Dale was an offensive tackle. His determined play earned him honorable mention from both SNC and SEBC conferences.



Scott Stewart had the difficult job of filling veteran Bob Koeneke's position. Scott was never outplayed although he was often out-weighed.

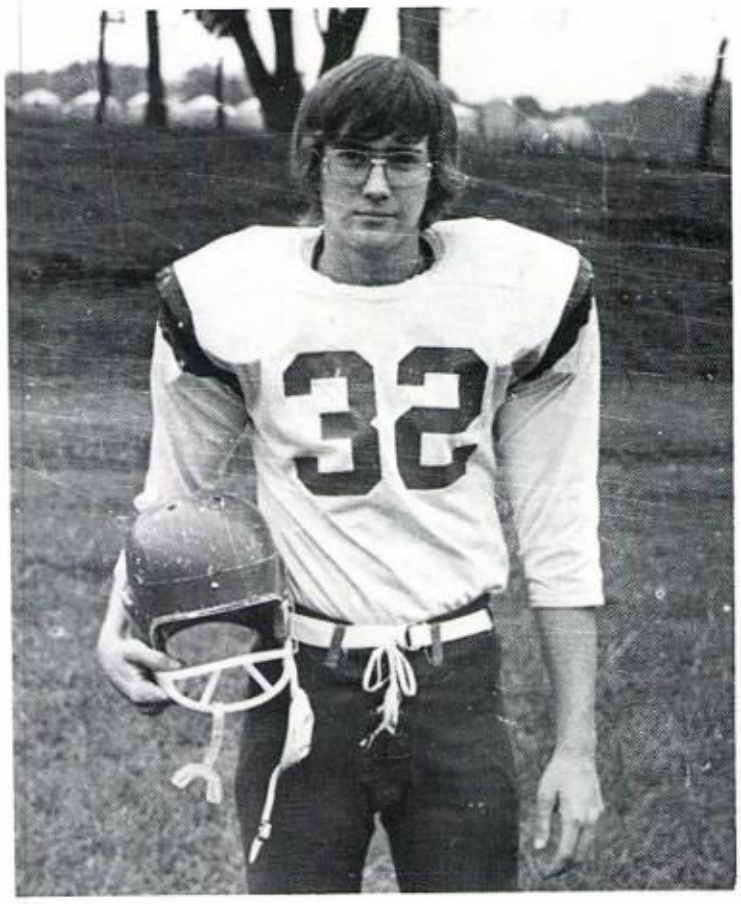


John played offensive and defensive end. His talent for breaking up plays and blocking passes earned him All-Conference honors.

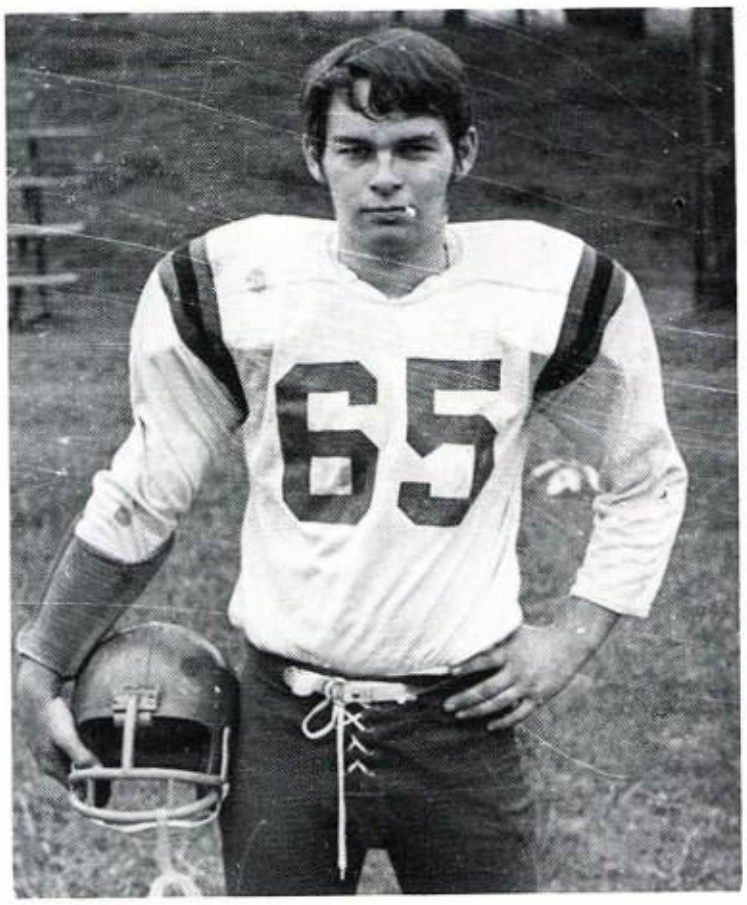


Kelly was the major thrust of the Indian's powerful ground game with 1109 yards of the teams total of 2191 yards rushihg, the best in the conference. His single game high was 247 yards in the closely fought Milford contest. He, along with Steve and Doug, were selected for Player of the Week by the Lincoln paper. Kelly was also All-Conference and Honorable Mention All-State.

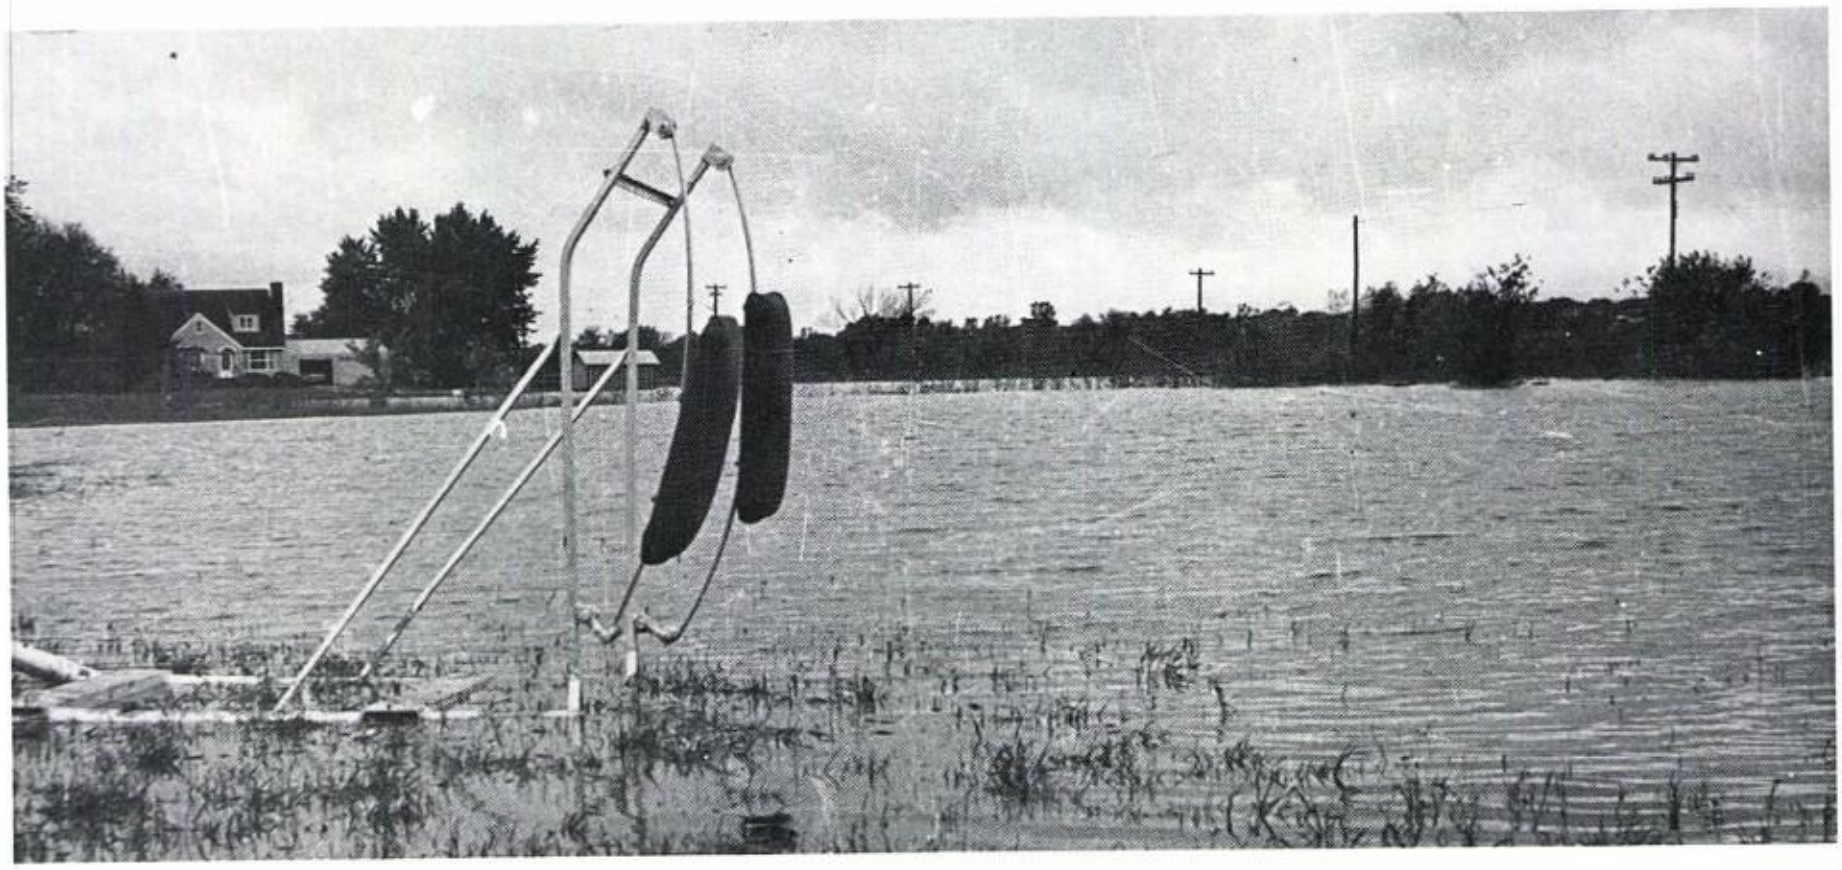
Russell Mort played end and helped to enthuse the team with his pep talks.



Hampered by a late start, Dan played aggressive ball and supported the team well. Gary Farwell, Bruce Dalluge, Rich Carmichael and Terry Poskochil were other members of the Warrior varsity. Gary made All-Conference.



Charlie was second in the SNC in unassisted tackles and played guard on offense.



Heavy rains, over ten inches in October, hampered Pawnee's practice sessions. Here you can see why the practice field has traditionally been called "The Swamp."

FINAL EPISODES

Prom

"Scott, have you seen that guy with the grass clippers?"

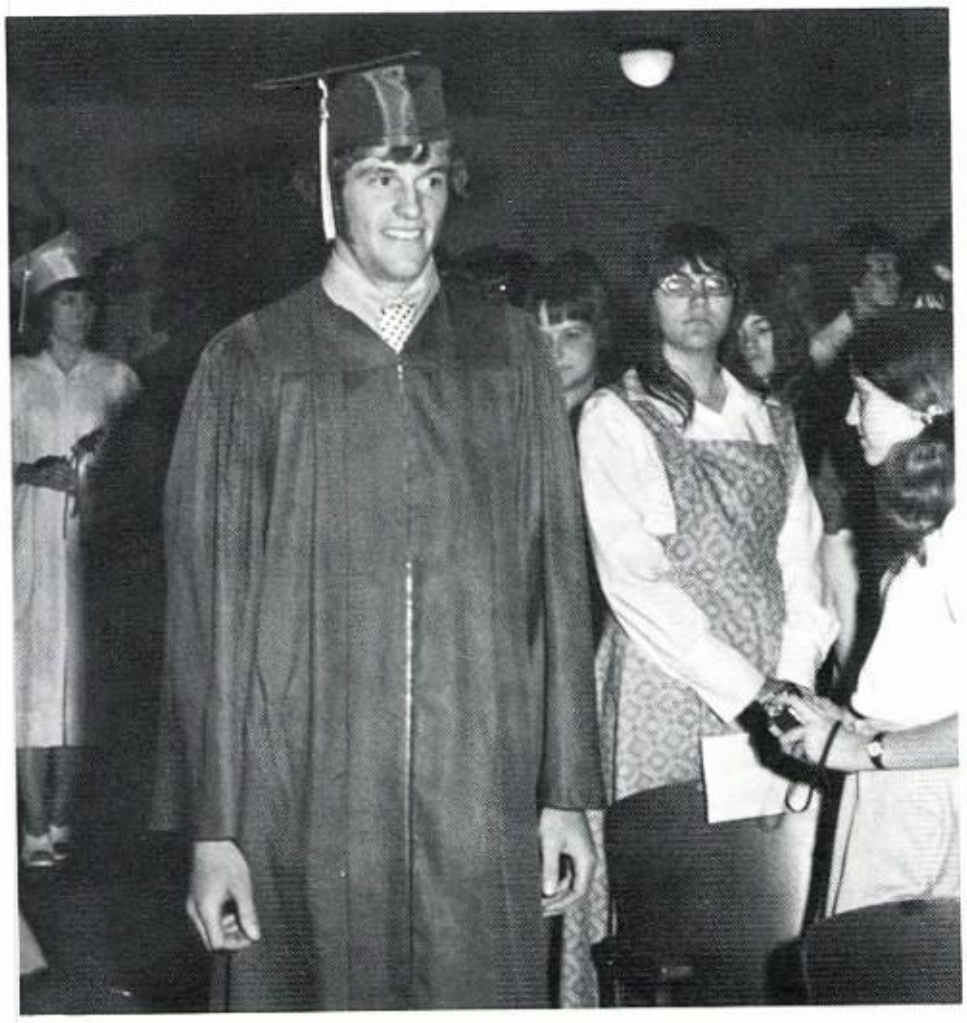
A special thanks to all the parents who gave up their time to make the Jr.-Sr. Prom a success.

Many parents joined in a skit spoofing the activities of their Senior offspring. Here Laura Turnbull tells a tree all about the good soil it's in.

Don, Linda, and Loren labor mightily over some of the decorations.

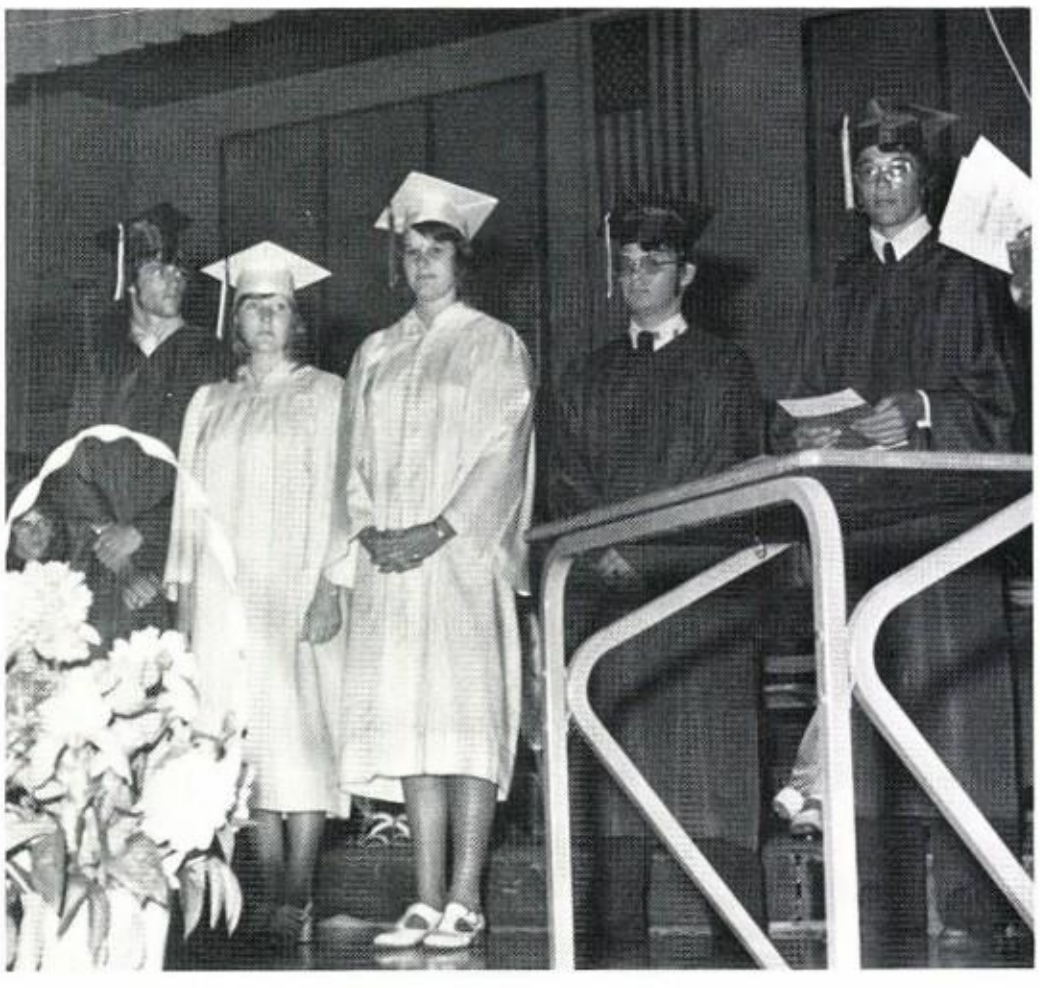
Karen and JoDee went along with the South Seas motif.

Graduation



"I'm finally getting out of this mad house."

Members of the Speech class gave a choral reading.



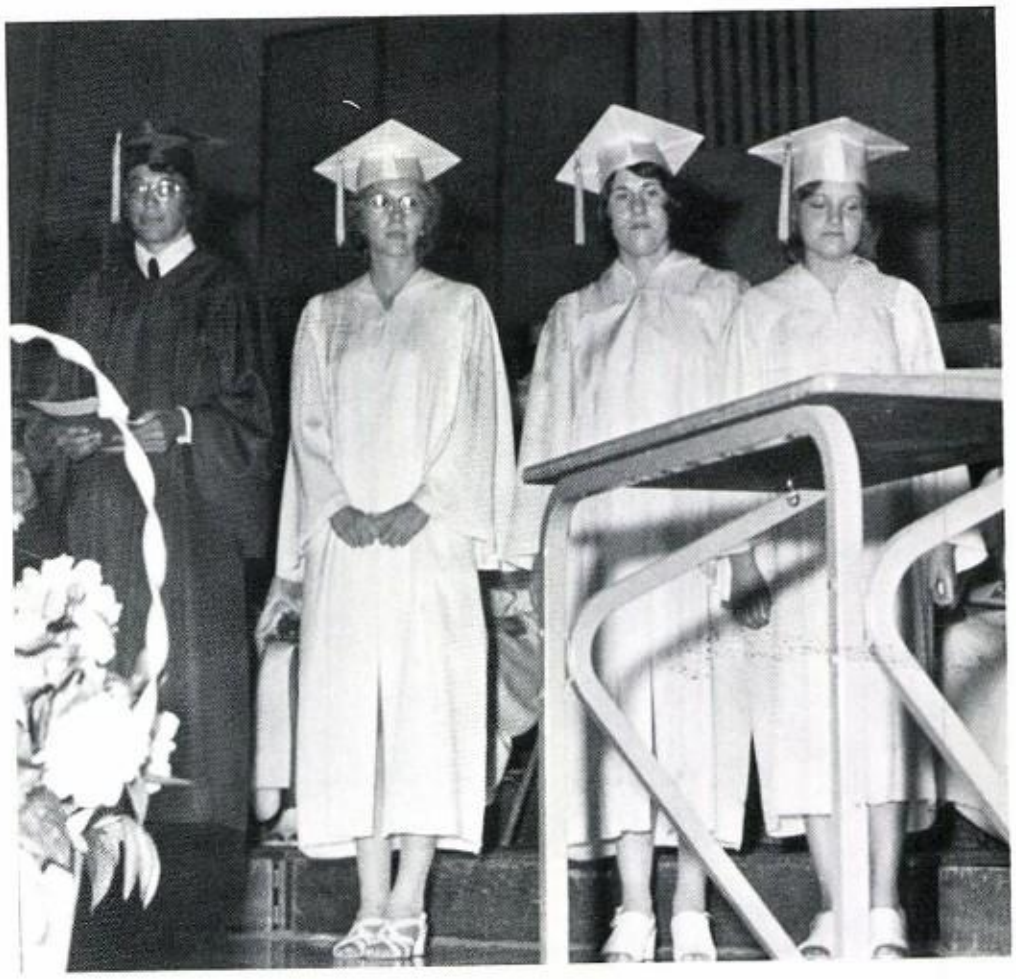
The scholarship winners of the class of '74 were Russell Mort, basketball scholarship to Peru; Debbie Thieman, Ben-Your Hairdressers; Dineen Meyer, Regent's Alternate; Charles Snyder, Four Year Regent's Scholarship-University of Nebraska, scholarships to Doane and Northwest Missouri State College at Marysville, Mo., and attained the rank of Finalist in the National Merit Scholarship competition; Dale Droge, Four Year Regent's-University of Nebraska, NSMC letter of commendation.

Our school was fortunate to have one student in the upper one-half of one percent scholastically in the nation's seniors (NSMC finalist) and one in the upper one percent (NSMC Letter of Commendation). We were also honored by having two Four-Year Regent's winners, since many schools this size and larger often have none.

Gary, Marvin, and Mary discuss future plans . . .

while Scott contemplates the world outside.

The top ten percent of the graduating class were Dale Droge, Susan Chittick, Julie Dageford, and Lea Ann Rundle.



"Is it take the diploma with your right and shake with your left or shake with your right and take the diploma with your left?"
